

SAFETY AND CAUTIONS

Before operating this equipment, carefully read and follow these safety cautions.

Ensure filters are inserted before running unit. Running the unit without filters can shorten the lifespan of the unit and cause electric shock or injury. Be sure foreign objects are NOT inserted into the vents on the unit.

Objects can include pins, rods, and coins. Do not touch any part of the interior of the unit with wet hands.

The high voltage may cause electric shock. Ensure unit intake and outlet vents do not become blocked.

Blockage may lead to increased internal temperatures, causing product failure and deformation.

Do not use the unit as a step stool or place heavy objects on the unit.

Personal injury may occur or product failure and deformation.

**WARNING**  
Follow these instructions to reduce the risk of serious injury or death and to reduce risk of damaging the unit.

- If the power cord is damaged, it must be replaced by a special cord. Reassembly is available from the manufacturer or its service agent.
- This appliance is not intended for use by a person (including children) with reduced physical sensory or mental capabilities, or lack of experience and knowledge of the unit, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.
- This unit is not intended to be used to preserve documents or art conservation.

FREQUENTLY ASKED QUESTIONS

- The unit does not turn on at all.
- Is the plug securely attached to the outlet?
    - Make sure the outlet has power going to it and ensure the plug is secured.
  - Is there a power outage?
    - Check to see if other lights and electrical equipment are working and try again.

- The unit doesn't work in Auto Mode.
- Has Auto Mode been selected?
    - Press the Fan Speed button until Auto Mode is selected.
  - Is the sensor blocked or clogged?
    - Wipe Odor Sensor with wet cloth, then dry.

- It vibrates and makes a lot of noise.
- Is it running on a slanted or uneven surface?
    - Move the unit to a hard, flat, even area.

PRODUCT WARRANTY

- The terms of the warranty are as follows:
1. This product is manufactured under stringent quality control and inspections.
  2. Warranty void if product failure is a result of negligence or misuse by the consumer.
  3. The warranty must be presented upon bringing the product for service.
  4. Store the warranty in a safe place, as it cannot be reissued.
  5. This warranty is valid only in the USA.

SAFETY INSTRUCTIONS

Thank you for purchasing a Winix air purifier. This product is for household use only.

IMPORTANT CAUTIONS FOR USING YOUR AIR PURIFIER:

WARNING: Follow the instructions in this manual to reduce the risk of electric shock, short circuit, and/or fire.

- Do not repair or modify the unit. All repairs should be completed by a qualified technician.
- The plug for this unit is polarized with one blade wider than the other. Do not force the plug into an electrical outlet. Do not alter the plug in any way. If the plug does not fit into the outlet, reverse the plug. If it still does not fit, contact a qualified technician to install a proper outlet.
- Do not use if the power cord or plug is damaged or the connection to the wall outlet is loose.
- Use AC 120V only.
- Do not damage, break, forcefully bend, pull, twist, bundle, coat, pinch, or place heavy objects on the power cord.
- Periodically remove dust from the power plug. This will reduce the risk of shock due to humidity build up.
- Remove the power plug from the outlet before cleaning the unit. When removing the power plug, grasp by holding the plug itself, never hold by the cord.
- If the power plug is damaged, it must be replaced by the manufacturer or a qualified technician.
- Remove the power plug from the outlet when not in use.
- Do not handle the power plug with wet hands.
- Do not operate the unit when using indoor smoke-generating insecticides.
- Do not clean unit with benzene or paint thinner. Do not spray insecticides on the unit.
- Do not use the unit where it is humid or where the unit may become wet, such as the bathroom.
- Do not insert fingers or foreign objects into air intake or outlet.
- Do not use the unit near flammable gases. Do not use near cigarettes, incense, or other spark-creating items.
- Unit will not remove carbon monoxide emitted from heating appliances or other sources.

IMPORTANT PRECAUTIONS FOR USING YOUR AIR PURIFIER:

- Do not block the intake or outlet vents.
- Do not use near hot objects, such as a stove.
- Do not use where the unit may come into contact with steam.
- Do not use the unit on its side.
- Keep away from products that generate oily residue, such as a deep fryer.
- Do not use detergent to clean the unit.
- Do not operate without a filter.
- Do not wash and reuse the True HEPA Filter.
- Hold the handle on the back of the unit to transport.
- Do not hold by the front panel.
- Do not stick any small objects into the air outlet vents or fan.

The exterior, design, and product specifications may be changed without prior notice to improve product performance.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions:

- This device may not cause interference.
- This device must accept any interference, including interference that may cause undesired operation of the device.

"In French: Cet appareil contient des émetteurs/récepteurs exemptés de licence et conformes aux normes Innovation, Science et Economic. RSS(s) sans licence de Développement Canada. Le fonctionnement est soumis aux deux conditions suivantes:

- cet appareil ne doit pas causer d'interférences nuisibles, et
- cet appareil doit accepter toute interférence reçue, y compris les interférences pouvant provoquer un fonctionnement non souhaité."
